Mr. Stansfield Turner
The Director of Central Intelligence
Washington, D.C. 20505

Dear Admiral Turner,

Thank you so much for the time from your busy schedule to meet with Eric and I during our recent trip to Washington, D.C. I can assure you that our half hour together meant more than you can imagine to both of us. It was very reassuring to hear your position on the role of the Armed Forces in the Persian Gulf and the reasoning behind our present draft registration. Following our visit together, I contacted the Dept. of Defense and spoke with two gentlemen at the Pentagon the following afternoon for an hour or so. They were both very helpful in supplying some recent releases from the White House concerning everything we discussed in your office.

STAT

Thank you again for everything, Admiral Turner. I look forward to perhaps meeting again some day.

Very Sincerely,

Steven Marcks
Student Body President
